Retirement Attestation

I attest that I will not be providing consulting or other services in the future using my CDMS certification while in CDMS-R status.

☐ Yes ☐ No

I understand if my retirement status changes and if I wish to regain use of the CDMS certification, I will need to meet the criteria in effect at the time of reinstatement including, earning all Continuing Education credits and Ethics requirements, in addition to paying the renewal fee at the time of reinstatement or re-take the exam.

☐ Yes ☐ No

I further understand that retirement status is only good for five years. At the end of the five-year cycle those that have chosen the retirement designation have the option to renew as a “retired CDMS” or renew as a “CDMS” per the guidelines in the CDMS Recertification Guide.
